BUILDING UPDATES

The Wingfoot Building Team was created in May and tasked with identifying, prioritizing, and coordinating repair and improvements of the building and grounds in coordination with the Elder Team and Fiduciary Team.

- The top three projects underway are:
 - Boiler repair and system maintenance ahead of this winter
 - Asbestos abatement in Rooms 6 & 22 as the first step in repairing last winter's water damage
 - Asbestos abatement and repairs to water damage in the Prayer Chapel. The boiler repair and asbestos abatement in Rooms 6 & 22 are scheduled for August.
- It is the hope of the Building Team that once the urgent prioritized repairs are underway, we can focus on improving the appearance and usability of the building.
- This summer the team walked the building making an extensive list of needs that we have prioritized.

REVEL
ATION

WINGFOOT SWAG

We have partnered with Ritchie's Sporting Goods in Tallmadge to offer a number of shirt sizes, styles, and designs available for purchase.

We have also worked with them to provide a \$10 coupon code which will cover the cost of at least 1 t-shirt.

This coupon code can be applied per transaction (so if you have multiple people in your household, buy each separately).

SERVE TEAM SCHEDULING

- Starting in October, we will be changing all serve team schedules to a weekly rhythm format.
- Most people will serve the same weeks out of the month (e.g. first and third, second and fourth).
- This should make scheduling more predictable.
- You can (and should!) still accept or decline when you get a schedule request.
